

DESIGNLIFT INTERIORS CONSULTANCY

SERVICES GUIDE

Interior Design Consultancy Services

Welcome to Designlift Interiors Consultancy, where we offer expert guidance, personalised strategy, and elevated design advice—without the commitment of full-service management. Our consultancy model empowers you to take the lead on your project while having a seasoned designer in your corner to give you the creative direction and support you need.

01. Design Strategy Intensive R6,500 once-off

A powerful 2 hour session to bring clarity, direction and creative focus to your space. Ideal for clients who need professional input on layout, furniture sourcing, colour palettes, and overall concept development.

What's Included:

- - 2-hour Zoom session
- - Pre-session design questionnaire
- - Design feedback + creative direction, on layout, style + furniture
- - Post-call summary with your next steps or a document with key recommendations.

02. Design Advisor Experience R25,000 per 4 weeks (1–2 rooms)

Ongoing support, expert feedback, and design partnership across 1–2 rooms. This premium consultancy is for clients managing their own design project—but want consistent expert support. Get feedback, structure, and creative clarity—on your terms.

What's Included:

- - 1 x 90-minute kickoff strategy session
- - 4 x 30-minute weekly check-ins
- - Voice note + email access + video call (Mon–Fri)
- - Tailored weekly action plans
- - Input with design direction, layout, sourcing and styling etc

FAQs

Do I need to hire a full-service interior designer?

Not at all. Our consultancy model is designed for independent homeowners who want direction without the cost or commitment of full-service design.

What if I need help with renovations?

Our advisory services are best for space planning, furnishing, colour and styling—but we can provide input on small-scale renovations or refer you to other professionals.

Which Service Is Right For You?

Service	Best For Clients Who...	My Role
Design Strategy Intensive	Need expert clarity to move forward with confidence on their own	You lead the project — I guide you once with strategy & insights
Interior Design Advisor	Want ongoing support while managing their own design	You lead the project — I walk with you as your design partner
